You are receiving this notification because Intermap Technologies Corporation (the “Corporation”) will be using the notice and access model (“N&A”) for the delivery of meeting materials to our shareholders in respect of our upcoming annual general and special meeting to be held on June 27, 2024 (the “Meeting”). Under N&A, shareholders still receive a form of proxy (“Proxy”) or voting instruction form (“VIF”) enabling them to vote at the Meeting by proxy. However, instead of a paper copy of the full Information Circular – Proxy Statement (“Information Circular”), shareholders receive this notification which provides guidelines on how to access the Information Circular electronically. Adopting N&A to deliver materials is more environmentally friendly as it reduces paper use and lowers the Corporation’s costs for printing and mailing.

– Matters to be Voted on at the Meeting –

The resolutions to be voted on at the Meeting are listed below, along with the section name in the Information Circular where further detail regarding the matter is provided. **Shareholders are reminded to review the Information Circular carefully before voting as it has been prepared to help you make an informed decision.**

2. Election of Directors
3. Appointment of Auditors
